

***Bicycle Safety Rodeo***  
***Saturday, May 16, 2009***

La Grange Anchors helped sponsor a Bicycle Safety Rodeo for the first time on Saturday morning, May 16, 2009. By partnering with the Fayette County EMS, Anchors had the opportunity to learn a lot about Emergency Medicine as well as brush up on rules of the road for cyclists and share the knowledge with a number of La Grange youngsters.

Anchors helped to measure the kiddos to make sure a proper fitting helmet was given to each of them. Bicycles were also inspected for possible needed repairs.

The La Grange Lions' Clubs and Wal-mart donated two children's bicycles. Anchors gathered gift cards from McDonald's to include as door prizes for the event. These gift cards were given in enclosures that also included a brochure about the Anchor Club and its mission and activities.
